

That's a big smile for a potential pilot.... Matt loved his dawn flight

And Allan thought Julian was an awesome pilot!

Then some Quad bike activity... Helen getting herself sorted in the training area

Here we are... lined up and ready to go, rolling 06

Diana leading the pack

Nothing like a water crossing!

Here's Julian... not about to get his feet wet

One hell of a dirty face... but loads of fun!

Marc in action... he's done this before!

Helen... just before that fateful moment.... Was she practicing to be 'superman'?

Tyson in action

Is that John lurking in the bushes???

And here's Bob

Matt and Allan bringing up the rear
